Bangalore – 560 022, Ph. No: +91 80 2347 9536

www.cntcindiaprojects.com

Dear Patron,

Greetings from **CNTC!!**

We are happy to share an update on the project progress of **“The Presidential Tower”**.

Summary:

1. Ramp curing from Ground to B1
2. B1 level Reinforcement work in progress
3. Basement podium level 3 curing
4. B1 level Reinforcement work in progress
5. Shuttering of Ramp from B2 level to B3 level
6. B2 level of Tower B side column concreting in progress
7. Club house Gym equipment installation finished and ready to use

“The Presidential Tower” is approved by RERA and **RERA** approval number is **PR/KN/170731/000565**.

Did you know:

The world’s first skyscraper, built in 1885, was the Home Insurance Building in Chicago, Illinois, which stood at 42 meters or 138 feet and was 10 storeys.

The latest pictures of the progress at site will give you an insight into the actual work that has been accomplished.
